

MEMBERSHIP PRIVILEGES AND DISCLOSURES

The minimum age for club membership is 18 unless written permission by a parent or guardian and the Club's consent is given.

Your membership agreement will set forth all terms and conditions of your membership, which include the items below, and, among other things, the following: automatic renewal terms, state specific cancellation provisions, the use of photographic likeness, terms of enforcement of the agreement, governing law and jurisdiction, dispute resolution and arbitration. Please review your membership agreement for full details of the content of your agreement.

All memberships are month-to-month terms.

You may cancel your membership at any time. See your contract for details on the manner by which you may cancel. In addition, the Member may visit myclubonline.com and complete the electronic cancellation form.

Your membership is non-transferable.

Membership rates are based upon current sales tax rates. To the extent that such rates should increase during your membership, the club has the right to increase your monthly membership dues by the amount of such increase.

Members may put their membership on hold (a/k/a "freeze") for a fee (where permitted by applicable law) and for any reason at the start of any month for a minimum of one month and a maximum of 12 months. During this freeze period you will not be billed your regular monthly dues and you may not use the Club or any of its programs or services. Annual fees will continue to be billed during any freeze period. Following the expiration of your freeze period, you will automatically be billed your regular monthly dues.

For all billing inquiries, please call ABC Fitness Solutions at 1-888-827-9262 or www.abcfitness.com.
